CARTS

# ***Serve residents SAFE, FRESH, HIGH QUALITY, PERSONALIZED MEALS on their time.***

Jones Zylon's MealPRO Carts and food systems are proven to perform.

## **SUPERIOR FOOD QUALITY**

- Protect food moisture
- Serve chilled cold items
- Hot food stays hot for hours
- Account for individual dietary requirements
- Eliminate food safety concerns

## **YOU CONTROL THE COSTS**

- Minimize labor and training efforts
- Minimize food waste
- Be productive in high volume meal services
- Increase time and staff efficiency by working ahead

## **BUILT SMART**

- Offer versatility with multiple cart size options
- Easily adapt to any serving system
- Utilize superior casters for quiet transport
- Stainless steel construction improves HAls
- Multitude of optional cart features

## **VERSATILE STAFFING SOLUTIONS**

- Navigate staff shortage issues
- Reduce specialized server requirements
- Allow more time for staff interaction

## Bulk Transport

Can also be used to transport bulk food to remote dining areas

## Hot Food at 155°F

Convection heating unit holds entrée / soup / hot beverage at 155°F.

## Hot Meals

Perforated shelves sectioned off for two 9" covered entrees and soup or hot beverage.

Tray shelf slides out without tipping for tray assembly.

## Easy to Maneuver

8" swivel casters on each end with 8" rigid casters in the middle so you can turn on its own length. Low profile to see over top while transporting.

*(premium casters are standard)*

## Cold Food at 38°F

Refrigerated compartment keeps salads and desserts crisp and frosty.

## Cold Trays

Two 12x20 trays fit widthwise into each set of tray channel slots. The slots hold tray edges to keep tray from tipping when pulled out partially.

*(Optionally available are perforated shelving-shown below)*

## Error Proofing

Two hot and two cold on the same level to pair up meals without error.

## Pan Drain

Easy access condensate drain pan underneath.

## DRYING RACKS

Full range of aluminum drying racks to accommodate hotel pans and sheet pans, as well as any flat dinnerware item such as meal trays. Save space in your kitchen with high-capacity drying racks. The unique plastic insert technology is more sanitary and lowers initial costs as well as replacement costs. Extend the life of your trays and pans by not running them over metal edges every day. Mix-n-match plastic inserts to make a rack universal for multiple items. All heavy-duty construction for longevity. All our drying racks have a 5 year structural, and lifetime non-corrosion warranty.

### 4 SHELF INSERT DRYING RACK FOR SHEET PANS

Item	Model	Dimensions	Capacity
	JZDRA-220SP	Height: 80.2" Width: 80.5" Depth: 22.9"	<b>Item:</b> Standard Sheet Pans <b>Number of Trays:</b> 220

# EQUIPMENT OPTIONS AND ACCESSORIES

No two correctional facilities are the same and neither are two food service operations the same. Each application requires specific solutions to specific problems. Below you will find many options to customize how your food service equipment works for you.

## UPTIME MAINTENANCE KIT

All the critical spare parts for your JZ equipment in one convenient tool box. Don't wait for parts to fix needed equipment.

## TOW PACKAGE

Full chassis all welded steel frame. Pin style hitch locks in the up position without hardware. Rated for 8,000lbs.

## TUGGER

Motorized towing unit. 2,000-5,000lb capacity with up to 8 hours of operation on single charge.

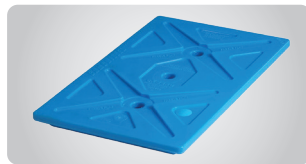

## BRAKE ASSEMBLY

The optional brake assembly is a continuous grip brake that immobilizes the cart when the lever is not engaged. This feature provides added safety for inclines.

## RACKS WITH SHELVES / SLIDES

Customize your racks, slides and shelves to accommodate your process to load and unload food.

## COLD PLATES

Freeze cold plates and place in mounting brackets of ambient section of a cart to keep food chilled longer.

## EXTERIOR SHELVING

Often used for beverage service, permanently mounted exterior shelves allow for maximum service versatility.

## DROP-DOWN HANDLE

Hinged handle allows carts to be "pulled" at a safe distance from heels.

## GRAPHIC WRAPS

Put your logo on your cart or designate your carts for specific areas by creating custom artwork for your cart.

## MENU CARD HOLDER

Keep track of menus and other documents by adding a menu card holder to your cart to avoid losing or scattering important information.

## DRY ERASE BOARD

Communication is key in any organization. Add a dry erase board to your cart allowing communication between staff changes and mealtimes.

## ADDITIONAL SHELVING

Additional shelving is available for residents who request Kosher delivery.

## PREMIUM CASTERS

Combines the perfect tread durometer, resiliency, shape and weight capacity to give the wheel the ability to roll and maneuver quiet and easily. *Standard with cart*

## EXTREME CASTER

If you are transport a cart outdoors in extreme weather (snow, sludge), this not pneumatic solid thermoplastic rubber caster provides off-road rugged durability and excellent maneuverability. *Available as an upgrade*

## CASTER FOR CARPET

This flat tread caster with a thin profile allows good maneuverability by minimizing the compression on the carpet and while keeping the noise down. *Available as an upgrade*

## 4 SHELF INSERT DRYING RACK FOR STEAM PANS

Item	Model	Dimensions	Capacity
	JZDRA-76TP	Height: 82.5" Width: 80.5" Depth: 22.9"	Item: 4" 12X20 Steam Pans Number of Trays: 76

 JZDRI-5	1.813"	39	Mainline (cafeteria) trays Steam pans

# DINNERWARE

## TUMBLERS

The Wave tumbler features a pattern of textured and smooth surfaces that provide a sure grip while reducing scratches. A smooth rim and smooth interior surface assures sanitary cleaning. Stacking lugs prevent sticking when stacking, even when put away wet and the 3-sided V-cut drain bottom speeds drying. Our healthcare-grade tumblers are made from break, stain and scratch resistant copolymer material. Our proprietary copolymer is reusable, recyclable, dishwasher safe, shatterproof and withstands temperatures up to 212°.

## EATING UTENSILS

### BIG GRIP™ FLATWARE

Big Grip™ is as close as you can come to the heavy, rigid feel of real silverware without the cost. These comfortable-to-grip utensils feature handles that are thick and textured yet lighter than traditional flatware. Our ergonomic design provides residents more control of their food during mealtimes. Although Big Grip™ is reusable, they're so cost effective they're disposable. Big Grip™ flatware is made from break, stain and scratch resistant copolymer material. Our proprietary copolymer is reusable, recyclable, dishwasher safe, shatterproof and withstands temperatures up to 212°.
